

# Triangulation

## Reflection Method

1. List three things you have learned today. Use the space provided next to the triangle and the back of this page is necessary.

---

---

---

2. Think of two things you agree with that you have heard today. That is, two things that you are “Squared with” today. (They can be different from what you learned.)

---

---

3. Write one thing you will change IMMEDIATELY in your thinking or your doing based upon what you have heard.

- a. Re-read your **three** points of learning
- b. Think about why you are “**squared with**” the things you wrote.
- c. Did you change something immediately? Why or why not?
- d. If so, was it easy or hard?
- e. Was it relevant?
- f. Where did you apply it?
- g. Were you surprised by the results
